

## **Classroom Resources & Requirements**

Students are expected to come prepared for every class with the necessary materials, including an A4 file, drama journal, and other specified items. This ensures that they are ready to engage fully in lessons and can easily keep track of their progress. Organised and well-prepared students are better able to focus on their creative development, leading to more effective learning outcomes.

The school will provide resources including lyrics, handouts, and costumes. Students are required to bring an A4 plastic button envelope file containing the following items:

- Lyrics, notes, and other papers provided by tutors (please clear these out regularly).
- A pencil and eraser for note-taking.

### **Additional Requirements for Musical Theatre, Musikidz, and Individual Lessons:**

- A drama journal/diary.
- A bone prop for voice work during acting classes.
- A small mirror for monitoring tongue, soft palate, and other positions during singing and acting.

### **Important Points:**

- Unless specifically requested, students only need to bring the above items to class. The file with all materials and a water bottle should be the only things they carry.
- Please avoid sending large school bags, pencil cases, or other unnecessary items, as these can become distractions or get lost.
- A small bag, such as a drawstring bag, should be sufficient.

This policy is in place to minimise distractions during class.
